

WINES BY THE BOTTLE

RED WINES

UWE SCHIEFER (A GRÜNAUER COUSIN) Blaufränkisch- <i>Burgenland, AT</i> Easy drinking with cassis, blackberry, and herbal spice. Subtle tannins with lingering notes of cedar.	65
GLATZER Blaufränkisch- Göttlesbrunn- <i>Burgenland, AT</i> Austria's "stud" varietal from a classic winemaker that sticks to their guns. This producer has been around for generations perfecting the few varietals it produces. This is a great bottle if you like Cabernet, but want to have an Austrian wine.	82
HEIDI SCHRÖCK Blaufränkisch- Ried Kulm- <i>Burgenland, AT</i> An inoffensive and crowd-pleasing representation of Austria's "stud" varietal from a forward-thinking winemaker. Filled with red berry fruit and soft tannins.	73
BOKA BIRTOK 'OPUR' Blaufränkisch/Kadarka - <i>Tolan, HU</i> Hungarian wine, wow! Austria's power red varietal took the bullet train east to team up with one of Hungary's most widely planted reds. Together they make an easy drinking table pleaser with the similarities of a pinot noir drenched with dark cherry. #passportdrinking	60
DAVID FINLAYSON Cabernet Sauvignon, <i>Stellenbosch, ZA</i> Whoa. South African Cab!	68
REINISCH Pinot Noir- <i>Thermenregion, AT</i> Wild blackberry, earthy red beets, and smoky aromas pour from the glass of this youthful pinot. Subtle tannins make this wine great table share.	67
TRIONE Pinot Noir- <i>Russian River, CA</i> One of the best areas in the U.S for pinots. All the classic rhubarb, pomegranate, anise and cranberry that you get from the area, but still at an approachable price. **banger wine**	90
SATTLER RESERVE St.Laurent- <i>Burgenland, AT</i> A classic Austrian wine you could call an offspring of pinot noir. It is similar in structure and silkiness with its own distinct spice and dark fruit notes.	65
PFLÜGER St. Laurent- <i>Pfalz, DE</i> You probably thought you were at a German restaurant, so here's your German wine (although this varietal most likely originated in Austria!) Like a very lean pinot noir that is filled with bright acidity and a little slap of cherry oak. **banger wine**	72
KADUM Teran- <i>Istria, HR</i> Lets first explain the above. Teran is the varietal and Istria is the region, within CROATIA, that it was produced. A medium bodied red similar to a Syrah but with brighter acidity. The result is a dense mouthful of black fruit with spices and fine tannins	68
GOBELSBURG Zweigelt- <i>Kamptal, AT</i> Do you like pinot noir? This is like a sturdy pinot noir with salt and pepper hair, a sour cherry attitude, and a soft leather vest that actually works for him.	65
SATTLER RESERVE Zweigelt- <i>Burgenland, AT</i> A classic Austrian producer making one of the few things they make from an area best at making the varietal. This Zweigelt will have more body and drink like a French Burgundy that loves cherry fruit.	75
PFLÜGER CUVÉE NOIR Cabernet Sauvignon/Dornfelder- <i>Pfalz, DE</i> Imagine if one of the world's most popular celebrities and an obscure actor only popular in Germany were sent to a woody room to sort out their differences and ended up becoming best friends. Dark cherry with spicy nuance and notes of plum.	68

WHITE WINES

PAUL ACHS Chardonnay- <i>Burgenland, AT</i> We have an Austrian chardonnay for the chardonnay lovers.....	55
HEIDI SCHROCK 'MORE IS MORE' 1L White blend- <i>Burgenland, AT</i> Light-bodied, refreshing and easy to drink. Made with classic Austrian varietals that go together like schnitzel and lemon, Pinot Blanc and Welschriesling. *banger for the buck*	60
STIFT KLOSTERNEUBERG Gemischter Satz- <i>Klosterneuberg, AT</i> This Viennese wine staple is the All-Star game of Austrian wine. It's a grab-bag of Austrian varietals, planted in the same vineyard, pressed and produced together. When you take good varietals, and put them together, you get a good show.	56
BECKER Pinot Blanc- <i>Pfalz, DE</i> One of my favorite varietals (author/wine lady). This refreshing German representation is the perfect bottle to share for the table. Light body, crisp with a minerality that balances the perfect amount of fruit. **DO IT**	65
ROSI SCHUSTER 'AUS DEN DORFEN' Grüner Veltliner- <i>Burgenland, AT</i> Translates to "from the villages" primarily Grüner, but blended with other local grapes grown in Burgenland's diverse soils so it provides a more rounded wine. It is level a headed transfer that immediate will be the popular girl. Medium bodied with a creamy palate and fruity finish. *banger wine*	70
ZILLINGER 'VELUE' Grüner Veltliner, <i>Weinviertel, AT</i> This wine showcases all of the elegance, structure, and minerality of the most famous Austrian varietal in a unlikely area. Burgenland Gruner's tend to be a little more rich in style.	72
INGRID GROISS Grüner Veltliner- <i>Weinvertal, AT</i> A well-rounded Grüner with structure and minerality. White pepper and fresh citrus fruit on the mouth	54
WEINHOF HAIDER 'DEFINITELY TODAY' Read below first- <i>Burgenland, AT</i> Venture out of the norm with a wine that is very native to the area. This wine drinks like a Grüner, but with light aromatics. WELSCHRIESLING is the varietal, but it does not drink like a typical riesling. Branch out!	65
STAGARD 'HANDWERK' Riesling- <i>Kremstal, AT</i> You will not find a better Austrian Riesling at a better price. This wine packs a beautiful level headed personality with a dry sense of humor that appeals to everyone. **banger wine**	67
HOGL Riesling- <i>Wachau, AT</i> Austrian rieslings tend to live in the shadow of Grüner Veltliner, but they are some of the best wines in the world. They are drier in style and Wachau demands standards that result in only the best.	63
ZILLINGER 'VELUE' Riesling- <i>Weinvertal, AT</i> Weinviertal Rieslings differ from other Austrian Rieslings by offering a warmer, more tropical fruit profile. Built on lime sandstone, it gives a refreshing round finish.	78
SATTLERHOF Sauvignon Blanc- <i>Südsteiermark, AT</i> The birthplace of Arnold Schwarzenegger just happens to be Austria's best region for Sauvignon Blanc. Drinking this will definitely PUMP YOU UP!	63

SPARKLING / ROSÉ

STIFT KLOSTERNEUBERG Grüner Veltliner Brut- <i>Klosterneuberg, AT</i> Austria's flagship varietal produced by one Austria's oldest wineries. Lively and fresh with bright flavors of pear and flinty minerality.	46
VON WINNING Riesling Extra Brut Sekt- <i>Pfalz, DE</i> A light and fruit forward sparkler made with a hands-off winemaking process. Flowers and strawberries on the palate with vibrant freshness.	65
HEIDI SCHROCK Pinot Gris/Blanc Pet Nat- <i>Burgenland, AT</i> This natural Pet Nat is undoubtedly refreshing and delicious and you would be lucky to drink it. Good luck finding it anywhere else. **the ultimate banger**	77

HEIDI SCHRÖCK Rosé of Everything- <i>Burgenland, AT</i> A light and fruity rose made from Austrian and Northern Italian native varietals. Notes of strawberries & raspberries with a hint of citrus. **banger wine**	60
DIVISION Rosé of Gamay Noir- <i>Columbia Valley, WA</i> Why does this PNW producer have two wines on the list at an Austrian restaurant? Quite simply, they make incredible, interesting wines that go perfectly with our cuisine. This rosé of Gamay Noir is no exception with its garden party array of flavors.	50
GOBELSBURG Rosé of Zweigelt/St.Laurent/Pinot Noir- <i>Kamptal, AT</i> This especially refreshing rosé has a nose of fine fruit accompanied with raspberry and wild cherry. On the palate you will find subtle herbal notes and a delicate body.	52
